MESSAGE ON BEHALF OF THE YOUNG COMMUNIST LEAGUE FROM CUBA TO SOUTH AFRICAN YOUTH ORGANIZATIONS.

South African Youth:

Cuban Youth wants to send you a warm greeting message to commemorate this April 27 the 20 anniversary of the end of the apartheid regime.

For Cubans, South Africa is not a legend of the past, is an essential part of Cuban history. Our people is heir of bravery, courage and resistance culture of a continent like Africa, which has been heroically debated for centuries to overcome challenges that still remain.

We have strong historical ties of solidarity and brotherhood. We share a commitment to uphold the flags, that our Commander has called "the most beautiful cause," the struggle against Apartheid. The friendship between Mandela and Fidel is an inspiration and a banner for the new generations of South Africans and Cubans.

History wants that two peoples defend their freedom in the month of spring, you overthrowing apartheid and us defeating imperialism on Playa Girón sands.

This is an opportunity to congratulate you because this May 25th it is 51 anniversary of the Organization for African Unity. We hope you remain part of those who love and defend life, peace and sovereignty and we confirm our commitment to continue strengthening relations among our youth.

VICTORY TO FOREVER!
